

Omega 3+

Liposomal DHA with Astaxanthin

Revii offers the ONLY Omega 3 product in the world with both the benefits of DHA and Astaxanthin Liposomes

Includes:

Natural, Non-GMO, Vegan Ingredients Environmentally Sustainable Omega 3

- Sourced from algae and not fish
- Algae purity is remarkably higher than fish oil, which may contain toxic metal build up such as mercury

Water Soluble DHA

- Essential fatty acid that promotes good health

Astaxanthin

- Supports the strength of cell walls
- Contains Carotenoid (natural red pigment found in plants that give flamingos and salmon their color and protects them from the sun)

SUGGESTED USE:

Take 6 mL (just over a teaspoon) with meals, in your drink of choice, or as directed by your health care professional. Refrigerate after opening. Use within 45 days of opening.

For infants and children less than 4 years of age or if you are pregnant, lactating, taking medication, or have a medical condition, consult your Healthcare Professional before using this product.
