

Revitalize. Renew. Replenish. Regenerate. with **Doctor-Formulated** Omega 3+, GPC, Curcumin, and NRXpress POWER

These high-quality, natural dietary supplements are designed with a breakthrough technology using the most effective delivery method for nutrients on the market today...LIPOSOMES!

Liposomes are microscopic lipid "bubbles" that encase vital nutrients to protect them from breaking down in your digestive system to effectively deliver the nutrients to the cells.

Omega 3+

Liposomal DHA with Astaxanthin

Revii offers the ONLY Omega 3 product in the world with both the benefits of DHA and Astaxanthin Liposomes

Includes:

Natural, Non-GMO, Vegan Ingredients

Environmentally Sustainable Omega 3

- Sourced from algae and not fish
- Algae purity is remarkably higher than fish oil, which may contain toxic metal build up such as mercury

Water Soluble DHA

- Essential fatty acid that promotes good health

Astaxanthin

- Supports the strength of cell walls
- Contains Carotenoid (natural red pigment found in plants that give flamingos and salmon their color and protects them from the sun)

GPC

Liposomal Glutathione with Vitamin C

Revii is the only company using all-natural, non-hydrogenated Phosphatidylcholine liposomes as a delivery method for Vitamin C

Includes:

Non-GMO, All-Natural Ingredients

- Master antioxidant for the body
- Recycles Vitamin C and E to allow them to work as an antioxidant repeatedly in the body
- Critical in breaking down synthetics and pharmaceuticals in your body

Vitamin C

- Powerful antioxidant
- Effective acidity regulator

Curcumin

Revii uses natural, non-hydrogenated liposomes from sunflower for maximum absorption of the vegan, all-natural nutrients found in our Curcumin product

Includes:

Vegan, All-Natural Ingredients

Curcuminoids

- Rich in antioxidants, which act as superoxide radical scavengers
- Supports healthy joints and movement

Resveratrol

- Assists in healing the body's healthy inflammatory response

Astragalus Extract

- Helps support the immune system
- Contributes to healthy-looking skin

NRXpress POWER

Revii offers an innovative strip designed with breakthrough liposomal technology to Turbo Your Day with NRXpress Power

Includes:

Vitamin B2

- Acts as an antioxidant
- Breaks down proteins, fats, and carbohydrates
- Helps produce energy

Folate

- Supports normal fetal development

N-Acetyl Cysteine (NAC)

- Replenishes levels of GSH, which is often deficient with advancing age

Vitamin B12

- Elevates mood and concentration
- Increases energy
- Boosts immune system
